Good to know..

- Please arrive 10 mins before the start of the class to give your dog time to go to the toilet before we start.
- Dogs should be wearing a collar or harness and lead. No Flexi leads, choke chains or head collars please.
- Please bring a blanket or bed for your pup to settle on between exercises
- The best treats to use for training are small, soft ones - cheese, chicken or hotdog sausage chopped into pea-sized bits is ideal!
- Some weeks we will work outdoors so bring appropriate gear for the season
- Don't worry if you forget any of the above - we'll always have spares!
- Parking is free at Fareham. If your class is at QECP you'll need to pay and display unless you have a pass (10% discount on annual pass if you've booked a dog class)
